UTILITIES MATTER

ORDER NO.

SUBJECT:

DOCKET NO. 2007-286-WS - Application of Utilities Services of South Carolina, Incorporated for Adjustment of Rates and Charges and Modifications to Certain Terms and Conditions for the Provision of Water and Sewer Service - Discuss with the Commission the South Carolina Supreme Court's Order on Remand.

COMMISSION ACTION:

In response to the South Carolina Supreme Court's Order on Remand, I move that the Commission direct Utilities Services of South Carolina, Inc. to provide verified testimony on the following matters:

- Specific capital improvements by project and dollar amount that the Company made on a neighborhood-by-neighborhood basis from January 1, 2005 through December 31, 2006, and how these expenditures contributed to improved service.
- Specific ongoing operations programs by project and dollar amount instituted from January 1, 2005 through December 31, 2006, and how these expenditures contributed to improved service.
- Information comparing Bio-Tech's prices related to sludge hauling to the prices of Bio-Tech's competitors for the same service during the period January 1, 2006 through December 31, 2006.

The verified testimony should be filed with the Commission and ORS, with a response thereafter from ORS. Rather than set deadlines for the testimony and response at this time, I move that we request a proposed schedule from the parties, with the hope that they can agree to a schedule that deals with the issues raised by the Commission expeditiously.
